MEMO ENDORSED

Re: *Huzhou Chuangtai Rongyuan Investment Management Partnership, et al. v. Hui Qin*, Case No. 21 Civ. 9221 (KPF)

Dear Judge Failla,

We represent the Petitioners in the above action, and we file this notice jointly with the Respondent's counsel. Respondent Hui Qin was ordered to provide passwords or other access to accounts identified in this Court's August 24, 2023 order (the "August 24 Order") holding him in contempt or otherwise be detained if he did not comply. Without characterizing what occurred, Petitioners' technician has been able to access the required accounts. While Petitioners and Respondent disagree on other issues, and Petitioners and Respondent both continue to assert their rights to compel or resist production and will continue to seek relief, they agree that Mr. Qin's conditions for avoiding detention in the August 24 Order have been satisfied. We jointly request that the Court note this letter as compliance on that issue and inform the U.S. Marshal's service not to detain Mr. Qin.

Respectfully Submitted,

/s/ Carol Lee
